I recently bought a used a used Ford Focus 5Door Hatchback from Stebbings Car Superstore Kings Lynn, who offer [used car finance Norfolk](#) . Their salesman was really helpful as I still had outstanding finance on my part exchange vehicle. Stebbings got a settlement figure from the finance company and looked at the equity I had in my VW Golf. I did speak with my bank but Stebbings offered really cheap used car finance Kings Lynn so I took out a hire purchase agreement over 36 months. I also took out guaranteed asset protection insurance at a low interest rate.
